

A BIGGER CHOICE OF SAWN AND PREPARED TIMBER

Even more timber stocks now available

At Peppard Building Supplies we recently expanded our timber warehouse in order to offer you an even greater choice of sawn and prepared timber, sheet materials and joinery products.

Our sawn timber is now available from stock in lengths of 5.4 metres and in the most popular sections, ideal for all manner of building requirements or domestic projects.

Ply and particle boards are stocked in depth, including fair faced and shuttering plywoods, OSBs, chip board flooring (including easy clean) and MDF boards plus much more.

Don't forget our convenient opening hours

Collections are available 7.30am to 5.00pm, Monday to Friday and 8.00am to 12.30pm Saturdays. We also offer a delivery service which is free of charge provided the invoice value is a minimum of £30 plus VAT.
