

RECYCLED MATERIALS

We've got recycled aggregates covered

At Peppard Building Supplies we supply a wide range of soil, soil/compost mix, crushed materials and other recycled aggregates and new aggregates.

All products shown below can be purchased loose per ton or by the bulk bag.

Recycled Pipe Bedding Sand

A cost saving alternative to quarried sharp sand or reject sand. Ideal for bedding paving slabs and cable/pipe laying.

40-50mm Recycled Rejects

40-50mm Rejects ideal for drainage and soak-aways.

Recycled Crushed Concrete

Good for drives, paths, patios, shed bases.

10mm Screened Top Soil

10mm screened soil tested as general purpose to BS3882. Good for all soil jobs.

Don't forget our convenient opening hours

Collections are available 7.30am to 5.00pm, Monday to Friday and 8.00am to 12.30pm Saturdays. We also offer a delivery service which is free of charge provided the invoice value is a minimum of £30 plus VAT.

Direct loads are also available
